Game, Set
SPLASH!

Game, Set, SPLASH!

Fans attending Brisbane Tennis 2020 will have much more than world-class tennis to keep them entertained in January.

The tournament site has been expanded to include a family water park "Game, Set, Splash", a world stage of cultural entertainment and live shows.

Five giant waterslides will keep the children and the young-at-heart cool in between matches, alongside Channel 9's Smashdown live show and music to reflect the nations competing at the Queensland Tennis Centre.

Children 14 and under are free for the whole week with a paying adult.

Brisbane Tennis will also have increased hospitality and court-side viewing options from January 3-12, including a new tree covered deck to watch players practice.
